

PROGRAMME

GREATER COPENHAGEN SMART SOLUTIONS

- Living Labs for Liveable Cities

MONDAY, JUNE 6

DOLL by Night

On June 6 we invite you to join us on a tour around DOLL Living Lab to see the intelligent outdoor lighting solutions when it is dark. You will get an introduction to smart lighting accompanied with sandwiches, drinks and funky music.

- 18.00** **Transportation from meeting point in Copenhagen**
- 19.00 - 21.00** **Welcome, Talks & Networking**
- 21.00 - 23.00** **Pit-stops around DOLL Living Lab**
- 23.00** **Transportation back to meeting point in Copenhagen**

Pit-stops around DOLL Living Lab

Learn more about all the different Smart City use cases implemented in DOLL Living Lab:

- Intelligent Outdoor Lighting
- Smart Parking
- Smart Waste Management
